

SALE ON DISPOSAL OF USED VEHICLE UNDER USAID AFYA ENDELEVU (SUSTAINABLE HEALTH) PROJECT.

Introduction:

The Benjamin William Mkapa Foundation is a Trust, a non-profit organization committed to building resilient and sustainable healthcare provision systems, particularly in underserved communities. The core mission of BMF is to supplement and complement the development efforts of the Government of the United Republic of Tanzania. BMF was founded by the Former President of the United Republic of Tanzania, the Late Benjamin William Mkapa, to contribute to a healthier, more prosperous, inclusive, and resilient society.

The BMF continue to implement a five year (2020-2025) USAID Afya Endelevu (Sustainable Health) project that develop and implement sustainable approaches to address Human Resource for Health (HRH) recruitment, deployment, and management to support delivery of quality health services including HIV, TB, Reproductive, Maternal, Adolescent, Newborn and Child health services, Epidemic threats control like COVID-19 and facilitates effective transitioning of contracted health care workers into the Government of Tanzania's HRH system.

Through this award the USAID Afya Endelevu (Sustainable Health) needs to dispose one unit of used vehicle (NISSAN Patrol Station Wagon) as per BMF Procurement Guideline 2022.
